Note: Applicants for a major in the fields categorized as other fields (International Communication, Management Information Engineering etc.) may have difficulties in finding Colleges of Technology capable of accepting them.

(03) Other Conditions:

- a) Applicant must be willing to learn the Japanese language in one year period and receive College of Technology education in Japanese.
- b) Applicant will be ineligible if he/she
 - is a service member or a civilian employee registered on the active military list.
 - is a previous recipient of a Japanese government scholarship.
 - is currently enrolled in a Japanese University with the resident status of “college student”, or will be enrolled in a Japanese University as an other source or self financed international student between the time of application for this scholarship in his/her country and the time the scholarship period is due to begin.

(04) Terms of Award:

Grantee will be provided,

- a) 117, 000 yen per month. A supplemental regional allowance of 2,000 or 3, 000 yen per month will be added to the monthly scholarship amount for the grantees studying or conducting research in specially designated regions.
- b) Economy class air ticket.
- c) Fees for entrance examinations, matriculation and tuition fee.

Notes:

- Scholars are required to bring approximately US \$ 2000 to cover immediate needs just after arrival in Japan.
- The scholarship will not be paid to a grantee who takes leave of absence or is long absent from the assigned University or the preparatory Japanese -teaching institution.

(05) Nominations & Final Selections:

- a) All the eligible candidates should sit for a written test for the academic examination of Mathematics, Physics, Chemistry, English and Japanese.
- a) Every successful candidate will be required to be present at an interview to be held in Japanese Embassy.
- c) The final selections will be made by the Government of Japan accordingly. Therefore, no candidate should treat his/her nomination for a scholarship as an acceptance for an award acceptance is a matter entirely within the discretion of the awarding agency

(06) Special Notes:

- a) Candidates who are awarded a scholarship for undergraduate studies are not considered for university admission process of the University Grants Commission.
- b) Conditions laid down in this notification may vary as per the criteria imposed by the Japanese authorities, without prior notice.
- c) Candidates after the receipt of placements cannot decline the scholarship except under a situation that the Higher Educational Institute concerned is not recognized by the University Grants Commission.
- d) If any student declines the offer (except under the above reason) after the selection, he/she will not be considered for any of the scholarships during the year.
- e) Extension of the period of the scholarship will not be recommended by this Ministry.
- f) You are advised to visit the following website for further guidelines and other information, and also for past examination papers.

<https://www.studyinjapan.go.jp/en/planning/scholarship/application/examination/>
