About the Organizer	<p>National Academy of Forestry and Grassland Administration (NAFGA) (the former State Academy of Forestry Administration, STAFA), located in Beijing and established in 1951, is a training institution under the National Forestry and Grassland Administration. It provides training opportunities for civil servants and other employees of the National Forestry and Grassland Administration, leaders from the counties where the key forestry programs are implemented, local forestry leaders and technicians, leaders of large and medium-sized forest enterprises, international trainees and key foresters. The Party School and Adult Education Research Center of the National Forestry and Grassland Administration as well as China Forestry Education & Training Website are stationed in the Academy. NAFGA has achieved ISO9001 quality management system certificate issued by certification and accreditation administration of PRC. And the quality system is applied on all training courses or workshops hosted or sponsored by the academy. NAFGA enjoys the reputation of pioneer in training for civil servants and quality management for forestry industry. NAFGA campus covers over 5 hectares of land with building area of 40,000 square meters. The Academy boasts a main teaching building, a building for international training, an apartment building for trainees, a restaurant, a library, a sports ground, a cultural entertainment center and other facilities, which can accommodate 2,000 people at the same time.</p> <p>Sponsored by Chinese government, NAFGA has been organizing the foreign aid training projects since 2007. Up to now, NAFGA successfully held 63 seminars on varied themes including Forest Law Enforcement and Governance(FLEG), Sustainable Forest Management, UN Forest Instrument(UNFI), Wildlife Protection, Forestry Projects Development under "Belt and Road initiative", Biodiversity Protection and Nature Reserve Management, Forest and Climate Change, Park management, CITES implementation, Management and Protection of Endangered Species through which 3,435 participants were trained and over 100 developing countries were included. With rich management experience in China aid training, good services and strong service awareness, we warmly welcome participants from all over the world to Beijing and our beautiful campus.</p>	

Seminar
Content

The Seminar will be held in Beijing, China and adopt a combination of lectures, case studies, and group discussions. The lectures will tentatively include: the interpretation of relative policies and papers concerning eco-city construction and development in China; China's promoting the system of eco-city construction and development according to law, scientifically, comprehensively, and concrete methods; Technologies and package of measures for eco-city construction and development in China; the highlights of international cooperation of eco-city construction in China; special topic of Beijing Megacity comprehensive management and green development; special topic of global green city construction in China; special topic of international wetland city construction in China; special topic of sponge city construction in China; reinforcement of city park management and protection, improvement of ecosystem services; co-management system construction between city parks and neighboring communities (residents); urban and rural eco-construction guided by the idea of city high quality development; case studies of eco-construction development plan in Beijing and Suzhou; the exploration of city planning, design, and construction; the management of city water utilization and water resource conservation; the application of landscape plants and flowers in aspect of city beautification; sharing and co-management of ecological harmony-reflection on city development; green and smart city construction etc. Besides, the seminar will carry out on-site teaching in Nanjing, Suzhou, Yangzhou, Jiangsu province so that the participants can acquire more intuitional understanding and feelings of ecocities in China.

The seminar will arrange the sections of country reports and group discussions and the participants are advised to prepare materials in advance. In the section of country reports, the tentative outline for sharing is as follows: general introduction to the participating country such as geography, culture, society, etc.; ecocity construction in the participating country. In the section of discussions, there are different topics. For the topic of exploring bilateral and multilateral cooperation, we will set up a discussion session between National Forestry and Grassland Administration of China (highest forestry authorities in China) and the participating countries. Participants are advised to know the current situations and challenges of forestry cooperation between the participating country and China and think about the possibility of expanding cooperation. The Seminar will also collect training needs to make the next training more targeted and effective.

Training Program Details

(1.1) Title of the Program

(1.2) ERD Code (1.3) Duration in Weeks

Part 2

Official Information

(2.1) Ministry

(2.2) Agency

(2.3) Official Address

(2.4) Telephone Number (2.5) Fax

(2.6) Email

Part 3

Personal Information

(3.1) Name of Nominee (As shown in the Passport)

(3.2) Sex (3.3) Present Designation

(3.4) Home Address

(3.5) National Identity Card Number

(3.6) Passport No. (3.7) Mobile Number

(3.8) Email

(3.9) Date of Birth (DD/MM/YY) (3.10) Age (Years)

(3.11) Years of Service to the Government in the Nominee's Career

(3.12) Years of Service in the present Agency

(3.13) Name of the contact person in an emergency

(3.13.1) Relationship (3.13.2) Mobile Number

Part 4 Academic Qualifications (Higher Education)

Name of the Institution	Country	Qualification	Year

Part 5 No. of Previous Foreign Training Attended in the past 3 years by the Nominee

Duration	Countries	No. of training s
Less than one week		
Greater than one week & Less than 12 weeks(three months)		
Greater than 12 weeks & Less than 32 weeks (8 months)		
Greater than 32 weeks		

Part 6 Nominee's Declaration

I, the undersigned, certify that the details provided in this form describe myself, my qualifications and my experience, truly and correctly.

Date:

Nominee's
Signature

Part 7 Certification of the Head of Department

Relevancy of this Training Programme to Nominee's Work (Please Check only one Box)	Vital for present work	Directly Related to Present Work	Connecte d to Present Work	Helpful in Future Work	For Promotion s	Other (Specify)

I certify the accuracy of the information given above.
